Caldwell County Business Leaders

The Caldwell County Register of Deeds office is proud to announce our new “Thank-a-Veteran” program. As part of this program, all honorably discharged veterans of any branch of military service will be issued a free photo identification/discount card. The card will only be issued upon proof of recording discharge papers with our office or another Register of Deeds office. Upon issuance, the card would then be used to secure discounts available only to veterans at participating businesses. We would like to offer you an opportunity to partner with us and show your appreciation for the service given by our veterans by sponsoring our program. Sponsorship involves offering some discount (specific dollar amount or a percentage discount) on services or products offered by your business. This would be an on-going sponsorship and we would kindly ask that you give our office 30 days written notice if you decide to withdraw from the program at any later date. As a sponsor of the program, your company’s name will be listed on all information given to veterans who enroll, on all media announcements done, listed on the Register of Deeds website www.caldwellrod.org, and sent on periodic email blasts to all veterans enrolled.

To enroll as a sponsor, please complete the application below and fax or email back to our office.
